ROYAL

The Absolutely Pure Baking Powder

Made of Cream of Tartar, and Free From Alum or Phosphatic Acid

Royal Baking Powder renders bread, biscuit, cake and all flour foods finer and more healthful.

★ ★ ★ ★ ★

Baking powders made from alum, phosphates and other harsh, caustic acids are lower in price, but they are injurious to the stomach.

"The injurious effect of alum on the mucous coat of the stomach is positive and beyond dispute; it is both an irritant and an astringent. The use of alum in any article of food or article used in the preparation of food should be prohibited."

JOHN C. WISE, M.D., Medical Inspector, U. S. Navy.

PERSONAL AND OTHERWISE.

The revival continues at the Baptist church, with increasing interest.

Some have responded to our call for wood on subscription. Are there others? Cash price allowed.

Dr. T. A. Allen left Tuesday at noon for Greensboro, where he goes to attend the Federal court, which is now in session.

Every visitor to the big Fair which opened in this city yesterday is thrice welcome. Take the town. It belongs to you this week.

Mr. Dick Lowndes, of Flat Rock, who was about 90 years old, and had many friends throughout this community, died at his magnificent home Tuesday night.

The remains of Mr. Clyde Hawkins, who died last week at his adopted home in Elco, Pa., were interred there, instead of being brought to Hendersonville as at first expected.

The little daughter of Mr. and Mrs. W. C. Lyda which came into the world Monday night died Tuesday night. The Hustler joins many other friends in sympathizing with the bereaved ones.

Mrs. J. L. Hart will leave for her home in the west to-day. Her father and mother and her mother-in-law will accompany her and will spend some time with their children in Indian Territory.

Tax Collector Brooks is being assisted by Mr. M. L. Edney, of Bat Cave, in the tour of the county previously announced. Mr. Edney was here on Monday supplying himself with "the necessary implements."

The Henderson county contingent, J. M. Waldrop, F. Z. Morris and others, report a great trip to the State Fair at Raleigh last week. The reception accorded President Roosevelt on Thursday surpassed, by far, the expectations of every one. Fully 40,000 people participated in and witnessed the events of the day. The President was greatly pleased with hospitality evident on every hand.

MARRIED:—At the residence of the bride's parents in the Bat Cave section, on Wednesday, Oct. 18, Miss Edith Hudgins and Mr. Alonzo Tabor were united in the bonds of holy wedlock. Both have been residents of Hendersonville for quite awhile and will reside here permanently. They returned to the city the first of this week and have since been receiving the congratulations of numerous friends. May they live long and happily together.

The Charleston Evening Post tells of the recent arrival in that part of the full rigged ship Glossop from Rio Janeiro, with a cargo of 12,000 bags of Coffee consigned to F. W. Wagener & Co., this being next to the largest single cargo of coffee ever brought to Charleston. This same concern received 8,000 bags only a few days ago, but the immense trade it has in various sections of the Middle Atlantic and Southern states makes the frequent importation of their popular goods necessary.

Dr. G. E. Dixon has located here for the practice of medicine. He has offices and residence in the new Smith and Jordan building next to Dr. Morey's office. Dr. Dixon has been engaged in general practice for five years, besides having served for some time on the medical staff of the state hospital at Morganton, N. C. He has a wife and little daughter. He came to make this his permanent home and it is hoped that he may succeed in his profession here. He comes highly recommended both as a physician and as a man. He is related to Rev. Tom Dixon and State Auditor Dr. B. F. Dixon.

Surprise Wedding.

Cupid moves in various ways to accomplish his purposes. It is the old story of "outwitting papa" is often exemplified during these latter days just as the young people used to do when our papas and mammas were young and handsome.

Hendersonville people were surprised Monday morning to hear of the elopement of little Miss Lizzie Israel, the sixteen-year-old daughter of Mr. J. P. Israel, and Mr. Thomas Grimes aged twenty-two, who skipped across the State line into South Carolina to the home of Rev. W. P. Southern, in Greenville county, and were pronounced by him, "husband and wife." The bride was yet in short dresses, but that did not deter her. She had made up her mind to go and that settled it. She went "for a walk" Sunday afternoon and did not return that night. Inquiry revealed the fact that a team and driver had been secured by Mr. Grimes for Basin Springs, S. C., and that settled it, but this information was obtained too late for decisive action in an attempt to overtake them.

On Monday the happy children returned to the home of the groom's parents in West Hendersonville. "Long dresses" are being prepared for Mrs. Grimes and their friends join in congratulations. She is a beautiful "little girl" and possesses many charms for a child of her age. Is accomplished and industrious. Long may she live in the enjoyment of the new life.

To draw the fire out of a burn, heat a cu without leaving a scar, or to cure boils, sores, tetter, eczema and all skin and scalp diseases, use DeWitt's Witch Hazel Salve. A specific for piles. Get the genuine. Sold by F. V. Hunter.

The Revival Continues.

Rev. Geo. C. Cates, the noted Louisville evangelist, is doing some very effective preaching at the Baptist church. The interest his powerful efforts have created has reached all classes of citizenship in the town and the effect is electrifying. Many of the older offenders of the Divine statutes have acknowledged their errors and forsaken sinful ways to follow the lowly Nazarene, while a large number of our young people have responded to the call.

Services will continue during the week beginning at 10 a. m. and 7:30 p. m. Members of various church organizations in the city are co-operating with Pastor Love and Evangelist Cates. The attendance is gratifying and the interest increases. Mr. Cates is a power in the pulpit and seems to be reaping a rich reward in the salvation of souls. The Word has certainly not returned unto him void since his arrival in Hendersonville.

Schools May Suspend.

The public school teachers of the county are authorized to suspend their school on the 27th inst. on account of Educational Day at the Western North Carolina Fair, provided they obtain the assent of their school committeemen to such suspension.

Rugby Notes.

We are all glad to hear that Prof. Powell has recovered from his temporary illness.

Mrs. L. S. Pender has returned from a pleasant trip to Asheville, where she has been visiting her sister, Mrs. Charles Nichols.

We all enjoyed the hop at the elegant home of Miss Hattie Maxwell, but regret that there was a disagreement between two of the young men.

Miss Mary Lane left Tuesday last for Memphis Tenn., where she will make her home with her cousin, Mrs. J. D. Miller.

The box supper at Lanes Chapel was greatly enjoyed by the young folks. The Rugby girls certainly know how to make good things, and we boys know how to appreciate them.

Rugby is on a boom so far as bridges are concerned. An iron bridge is being built over the French Broad at Kings bridge, and we have a new bridge over the branch at the foot of Summey hill, not before we needed it, however.

J. Henry Lane, Esq., has gone to Newberry S. C., on business, accompanied by his sister, Miss Tom.

We are all very much interested in the fair. Rugby must wake up. We do not want to come out too much behind.

SCRUGGS.

You may be just as skeptical and pessimistic as you please Kodol will digest what you eat whether you eat or not. You can put your food in a bowl, pour a little Kodol Dyspepsia Cure on it and it will digest it the same as it will in your stomach. It can't help but cure indigestion and dyspepsia. It is curing hundreds and thousands—some had faith and some didn't. Sold by F. V. Hunter.
